The Law

DISCUSSION QUESTIONS
FOR FAMILY, FRIENDS & GROUPS

1. Review the chart Clayton used to explain the concept of shalom. What are the four aspects of shalom?
2. How do the law and the tabernacle bring back aspects of God's shalom? Why does it matter that obedience to the law is the result, not the cause of salvation? What goes wrong if you get that mixed up?
3. How is the Law a gift? What about God's commands makes you thankful?
4. Pick one or two more Old Testament commands and work through the questions Clayton mentioned. Here are some good options: Exodus 22:21-23, 22:25-27, 23:4-5, 23:12.
5. If Christ-followers are now God's temple, how should that change how you act?
