1. Review: What does the word “shalom” mean? Try to draw the chart with four aspects of shalom? How does God giving the land contribute to shalom?
2. What makes it hard to believe that “a life of receiving and giving is a life that leads to shalom”?
3. Re-read Deuteronomy 8:10-18. What is it about abundance that tempts us to “forget the Lord” (v. 11)? What can you do to remember that all life is a gift?
4. How are gratitude and generosity connected?
5. Explain how the different laws about the land that were discussed in the sermon God put in place provided for people in need in Israel.
6. What is your next step to grow in generosity?
