DISCUSSION QUESTIONS

FOR FAMILY, FRIENDS & GROUPS

1. What leadership roles have you found yourself in? In what ways did you feel inadequately prepared for those roles (or for leadership in general)?
2. What formative experiences (personality traits, upbringing, education, jobs, etc.) might God use to shape you as a leader?
3. What life-lessons have you learned from past failures? Why are failures often better training for leadership than successes?
4. Describe your own faith encounter with God. Did you realize at the time that it was not only about forgiveness, but also a calling to serve God? Explain. (How does Ephesians 2:8-10 apply to this point?)
5. What excuses have you used to avoid serving God (especially when called upon to lead)?
