DISCUSSION QUESTIONS

FOR FAMILY, FRIENDS & GROUPS

1. What kinds of things does your family enjoy together?
2. When you read the way the psalmist delights in the Bible, how do you feel? Can you relate? What are the barriers to feeling that way?
3. Take a few minutes practicing how you would read a passage of the Bible with a kid. Use the tips from the sermon to read Psalm 119:9-16 (or some other passage) out loud like you would to a kid.
4. What is your regular time to read the Bible with your family? If you don't have one, when could it be?
