## **DISCUSSION QUESTIONS** FOR FAMILY, FRIENDS & GROUPS

---

1. Which is more uncomfortable, being overdressed or underdressed for a situation?
2. Where have you found it challenging to relate to someone who has more/less money than you?
3. How does someone learn to have an “abundance mindset” like the Macedonians in 2 Corinthians 8:1-5?
4. Read 2 Corinthians 8:13-15. In what ways do these verses challenge you? How do they inspire you?
5. In 2 Corinthians 8:15, Paul quotes from the story of the manna. Review that story or (read it for yourself in Exodus 16). How is that story a picture of how people should relate to each other in the church?
6. Why is it important to meet both people's needs and give people dignity? Why is it hard to do both?
7. What did you sense God moving you to do as you listened to this sermon or as we read this passage?
