

## CHRIST COMMUNITY STUDENTS

Hey Parents,

We are so thankful for you and our church in this season. We love partnering with you as you care for and disciple your student. We hope you know that we are praying for you as you continue to care well for your family in a season that feels like chaos.

Here is what we have going on for you and your family this week:

[Youtube Channel](#)

We release videos every Tuesday, Wednesday, and Friday. You can subscribe and get notifications for anytime we post to our Youtube Channel. All of our content will be pre-recorded except for our Wednesday night live content at 6:30.

## SMALL GROUPS

This week we will be jumping back into small groups! Your student's leader has been working on a plan to gather via video with their group of students. I know how much we are longing for community as we are social distancing. I hope you can encourage your student to participate in small group time. We are excited for groups to be able to meet back together and share what God is doing in their hearts and lives. Our small group questions will be based on the content that is live on Wednesday nights, so make sure you and your student are able to check out that content before small group.

## PARENT RESOURCES

As we help students navigate this season it is important to name loss, but also to name gratitude. We don't want to just stay in a place of loss or grief, but we also want to lead our students to a place of gratitude.

Here is a great article to resource you to have conversations with your students about gratitude: [NAMING LOSS & GRATITUDE](#)

You can also find resources from past weeks, as well as Student Ministry updates on our website at [ccclife.org/parentupdates](http://ccclife.org/parentupdates)

Just as a reminder you can find all church announcements related to the COVID19 crisis, as well as other helpful content on our church website by clicking [HERE](#) or visiting [ccclife.org/coronavirus](http://ccclife.org/coronavirus).

We are here for you and with you. As a student ministry team it brings us such joy to know your students, and point them to the hope that is found in Jesus. We hope you know that your family is in our prayers. If there is anything we can do to resource you or care for you in this season we are available whenever you need. Please reach out if you have questions, concerns, prayer requests or needs. I hope you have felt cared for by your church in this season. We are so grateful for you.

God Bless,

The Student Ministry Team
