

CHRIST COMMUNITY STUDENTS

Hey Parents,

We hope you have been able to gather with us online as a church for our services. Hopefully your student was able to meet up with their small group this week and spend time connecting with their group.

Here is what we have going on for you and your family this week:

We release videos every Tuesday, Wednesday, and Friday. You can subscribe and get notifications for anytime we post using the button below! All of our content will be pre-recorded except for our Wednesday night live content at 6:30. We hope you are able to encourage your student to join us Wednesday nights. We play games, give away prizes, and are able to interact personally with our students. We miss our students and Wednesday nights give us a chance to connect on what is most important.

PARENT RESOURCES

We recognize that for seniors and parents of seniors, this season holds a lot of weight. You are in a unique season and we don't want you to feel alone. [THIS ARTICLE](#) is a great resource for parents of seniors.

As a reminder - you can find all church announcements and other helpful content on our church website: ccclife.org/coronavirus

EASTER & GOOD FRIDAY SERVICES

This week we will be celebrating Good Friday and Easter. Though this year will look different from years past we still want to gather together to remember the sacrifice Jesus made in giving up his life and rising from the dead so that we could be saved from our sin. We will be taking communion in our own houses, so make sure you run to the store for some grape juice and bread or crackers to join with us.

We are thankful to be a part of this church family in the midst of unknowns and new normals. We want you to know that we are here for you and with you. If there is anything we can do to support you please let us know.

God Bless,

The Student Ministry Team
