

Hi Families,

I don't know about you but over here we are missing our students and gathering together each week. We know hearing the news that our students won't be returning to school was maybe expected, but still an adjustment. Some students are totally okay with this news and would prefer it that way, while others are feeling a great sense of loss for what their year should have been. Whatever your family is feeling this week, please know that we are with you. I am thankful for God's faithfulness to his people even in seasons that feel really chaotic.

Here is what we have going on for you and your family this week.

FOR YOUR STUDENTS...

We are continuing meeting in small groups each week. We have heard a lot of really positive feedback about small group time and hope your students are able to engage in community with one another through this time. **If your student hasn't been able to connect to a group, please let us know and we will do everything we can to connect them.**

We release new videos on our Youtube Channel every Wednesday and Friday! You can subscribe and get notifications for anytime we post by clicking on the link for our Youtube Channel below. On Wednesday nights, during our livestream program we will continue to answer questions that students have submitted to us. This week we will be talking about dating relationships. Make sure your student doesn't miss joining us this Wednesday at 6:30pm.

We also have an instagram page that you and your students can follow! Check us out **@CCCLIFE.STUDENTS** or click the button below to

PARENT RESOURCES

As the newness of sheltering in place wears off, families can find themselves struggling to get along or communicate well. This can feel especially difficult with teenagers. [HERE](#) is a great resource for you that talks about connecting well with your teenager. Additional resources related to corona can be found [here](#) and general parenting resources can be found [here](#).

As a church we love praying for individuals and families. We have a prayer wall that is open for everyone to submit prayer requests. If you have a prayer request that we can pray for as a church please share that [HERE](#). I also want to encourage you to go to the prayer wall to pray for others in our church. This is a great chance to gather as a family and lift up in prayer the needs of others.

In this season when nothing is consistent or stable I am thankful for the reminder that our God is unchanging, the same yesterday, today and forever. (Hebrews 13:8) Our prayer for you and your family this week is that you are able to rest in the character of an unchanging and faithful God. We are for you and we are with you. Let us know if there are any specific ways we can be supporting you in this season.

God Bless,

The Student Ministry Team
