KidsWorld Policies

SECURITY

One of our KidsWorld values is safety. Everyone involved with your child has gone through an extensive application process including reference check, and criminal background checks. We utilize a secure drop-off and pick-up system. Volunteers are stationed at every classroom's exit where children's tags are matched to the security tag given at check-in. No staff member or volunteer is ever alone with a child.

WELL CHILD

If your child displays one or more of the following symptoms, we ask that you refrain from having them participate in our programs until they are well:

- fever over 99.6° within the last 24 hrs
- diarrhea and/or vomiting within 24 hrs
- pink eye or other eye infections
- sore throat
- persistent sneezing or coughing
- jaundice
- skin infections
- lice
- swelling/tenderness of glands
- runny nose with colored discharge
- childhood diseases: chicken pox, mumps, measles, scarlet fever, etc.

Making Passionate Disciples of Jesus Christ
who are Belonging, Growing, Serving & Reaching

Nursery

Our team of volunteers are here to partner with you while providing a safe and loving environment for our youngest children. We demonstrate God's love through hugs, smiles, and laughter, engaging with your child so their experience is unforgettable. Bible stories and activities begin to create a foundation for your child as they are introduced to the Big God Story. A parent notification system is used to contact parents when needed. At some campuses, we offer a nursing mothers room where moms can spend time with their babies and still engage with the adult service.

Early Childhood

Our Early Childhood classes - 2 year olds through Kindergarten - dig into the Bible by engaging in activity stations, creative teaching and worship, connection times with a small group leader, and even a special blessing time! Each week teaches a key spiritual truth and lays the spiritual foundation a young person needs in order to enter into a personal relationship with Jesus. We also strive to provide other family resources that meet the specific needs of today's generation.

Elementary

Weekends for Elementary kids are fun and exciting! We are intentional about creating space for kids to encounter the living God and listen to the Holy Spirit, while giving them a strong foundation in biblical knowledge and a sense of belonging. During our weekend services, your kids will experience an upbeat large group environment with high-energy worship and teaching, followed by time and space for prayer and response to the lesson. After large group they will head to small groups with consistent leaders to discuss the lesson and participate in activities further encouraging them to apply truths about God to their lives

EPIC is our Wednesday night program for elementary age kids at our St. Charles and DeKalb campuses. Every kid in EPIC is on a team with other kids their age and a great leader who will encourage and pray for them. Each night we spend time talking about what we're reading, memorizing, and learning in our EPIC Journals. We also have a great time worshipping God and playing some really fun games. Learn more at ccclife.org/epic.

Summer Programs

Christ Community Church has opportunities for children to hear the Gospel of Christ while experiencing all the fun summer has to offer.

Camp Commotion exists because we love kids and want to meet the needs of today's diverse families. Some families need a full-time, all-summer option for the care of their children. Most families want their kids' summer to include physical activity, positive friendships, fun, and new experiences. Our Camp Commotion Team wants to partner with your family to help you achieve those goals and meet your needs. Camp Commotion is located at our St. Charles Campus. Learn more at CampCommotion.org.

Adventure awaits your preschooler at the KidsWorld Clubhouse! Kids will join playful characters and friends for amazing games, crafts, Bible stories, and more! KidsWorld Clubhouse happens at our St. Charles and DeKalb Campuses for one week in the summer.

KidsWorld Summer Blast is an incredible camp experience at our Blackberry Creek Campus. Kids will learn the truth of God's Word in a dynamic and fun environment. One week of KidsWorld Summer Blast provides great memories for years to come.
